

Become a Sponsor

Cat Ladies Society is dedicated to saving cats and kittens that would not have a chance of survival if not for us. The majority of our cats have been saved from high-kill shelters where they faced certain euthanasia due to overpopulation, age or minor physical problems.

Every cat deserves a forever home.

Sponsor a New Rescue

Your donation of only \$100 pays for ALL initial healthcare, including spay/neuter, for a new rescue. By becoming a rescue sponsor, you ensure that the next time we receive a phone call about a cat facing euthanasia, being abused or living in a dangerous situation, we can immediately take action.

You will receive a certificate with your rescue's photo and story.

Sponsor a Special Needs Resident

Many of our special needs cats living at the shelter need ongoing medical care such as follow-up vet visits, medication and/or surgery. Your donation of just \$50 is used to cover these expenses and help them live the best life possible.

You will receive a certificate with your rescue's photo and story.

Sponsor a Resident Cat

All of our cats and kittens living at the shelter need food, litter and routine vet care. Your donation of only \$10, combined with the donations of others, helps to cover these expenses each month until they find their forever home.

Your name will be listed with their photo and story on our website

___ New Rescue Sponsor \$100

___ Special Needs Sponsor \$50

___ Resident Sponsor \$10
